

Waste Electrical and Electronic Equipment for Recycling from Vinten Customers

The Vinten brand is owned by Camera Dynamics. Under the French WEEE Decree, Camera Dynamics is required to provide arrangements for the collection, treatment, recycling and recovery of any new electrical and electronic equipment that you buy from Vinten after August 2005, when that new equipment eventually becomes waste. Camera Dynamics has established a recycling contract with the European Advanced Recycling Network (EARN) and will cover any costs of recycling the equipment in this box on arrival at an EARN recycling company. Please complete this label and attach it to a suitable box for transport of old equipment to EARN.

Please confirm that the enclosed equipment is:
