

2-Stage Aluminium EFP Pozi-Loc Tripod 100 mm

SKU: V4087-0001

Rigid camera support delivering optimum picture control for EFP applications

PRODUCT DESCRIPTION

This two-stage aluminium tripod has an unrivalled height range capability. It is quick and easy to set-up and provides excellent operational flexibility. Vinten tripods are precisely manufactured using the highest quality materials, to optimise torsional rigidity.

- Torsional rigidity minimises spring back
- Leg clamps for class leading stiffness
- Toggle leg clamps clearly show the tripod is locked
- Leg catch for easy transport and storage
- Joint clearances minimise free movement when panning
