

2-Stage Aluminium ENG Pozi-Loc Tripod 75 mm

SKU: 3819-3

Rigid camera support delivering optimum picture control for lightweight camera configurations

PRODUCT DESCRIPTION

This two- stage aluminium tripod has an unrivalled height range capability. It is quick and easy to set up and provides excellent operational flexibility. Vinten tripods are precisely manufactured using the highest quality materials, to optimise torsional rigidity.

Key features

- Torsional rigidity minimises spring back
- Leg clamps for class leading stiffness
- Toggle leg clamps clearly show the tripod is locked
- Leg catch for easy transport and storage
- Joint clearances minimise free movement when panning
