

Vision 100 Pan and Tilt Head

SKU: 3466-3

Premium quality and performance for OB/ENG applications

PRODUCT DESCRIPTION

Combining Perfect Balance with the TF drag system, the Vision 100 allows total control and consistent performance in the toughest conditions. Illuminated drag controls and a digital counterbalance readout ensure simple and repeatable camera set-up in any lighting situation.

Key features

- Digital balance readout for quick repeatable set-ups
- Instant responsiveness from Perfect Balance
- Thin Film drag (TF) for outstanding whip pan in any condition
- High contrast amber LED levelling bubble for quick, precise set-up
- Extensive operating temperature from -40°C to +60°C
